MEMORANDUM FOR: Deputy Director for Administration

FROM : Clifford D. May, Jr.
Director of Data Processing

SUBJECT : Senior Applicant

Don:

My staff and I reviewed [] resume. We were impressed with his qualifications and background, but unfortunately all my senior positions are filled. I do not think that anything less would do him justice.

STAT If you wish to pursue this further, perhaps Charley Bohrer or someone in the Office of Personnel knows of a CIA position where [] could use his experience in developing and managing medical and health care information systems or in training and manpower development. If not, I have taken the liberty of preparing the attached letter for you to send to []

Sorry I could not be of more help.
